GERBER LIFE AGENT PORTAL The Basics

The Gerber Life Agent Web Portal is **NOW** available to make quoting quicker and easier. Go to www.gerberlifeagency.com and log in with the User ID# and Password provided to the right, and see how easy it is to do business with Gerber Life.

Your **User ID** is the 8 digit Agent ID provided in the Welcome Letter from Gerber Life Licensing – without the dash. The **Initial Password** is your last name or the first 8 letters of your last name. If your **User ID ends with -0000**, the Initial Password is the last segment of the Agency name as shown on the Welcome Letter. For example, if the Agency name on the letter is XYZ Agency INC., the initial password is INC.
